Processing time

Deposits: Funds available as soon as the transaction is confirmed

Withdrawals: Subject to internal checks

Min deposit

No minimum

Min withdrawal

Equivalent to 5 USD

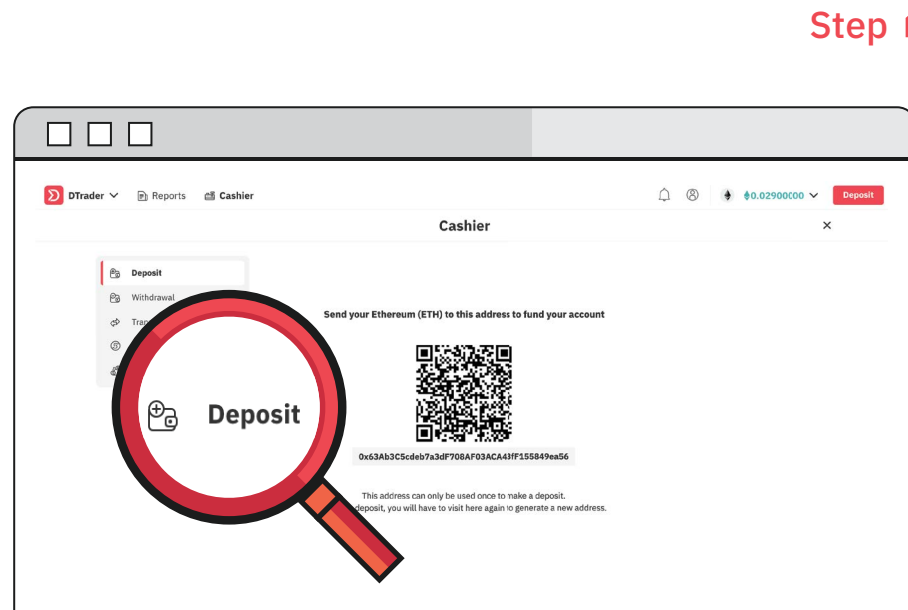

How to make a deposit

Step 1 Log in to your Deriv ETH account and click **Cashier**.

Click **Deposit** and copy the address on the screen.

Step 2

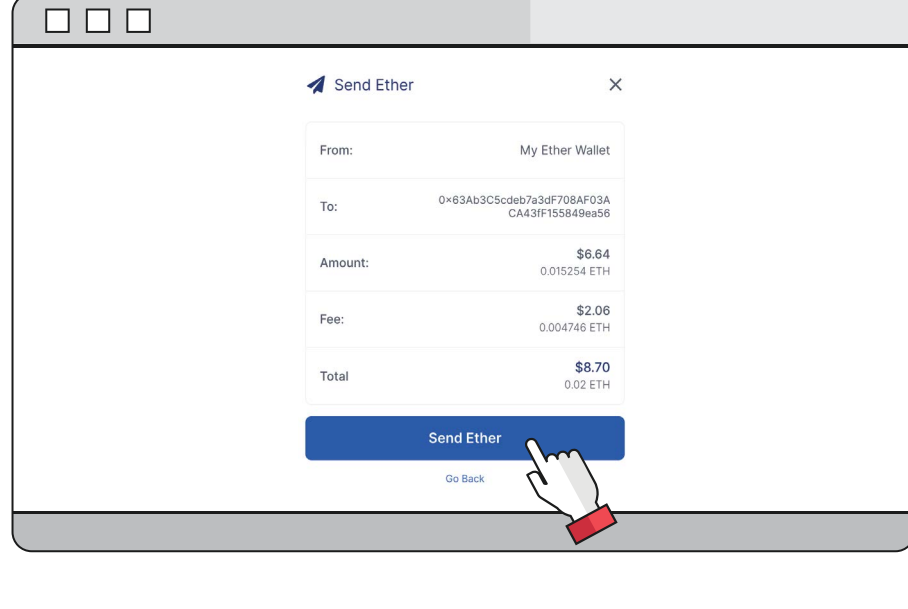

Step 3 Paste the address from Step 2 into your crypto wallet. Then, click **Continue**.

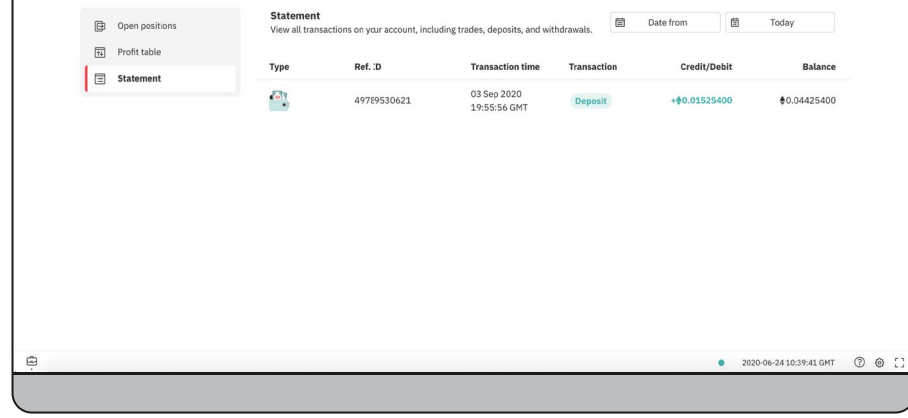

Check your payment details and click

Send Ether.

Step 4

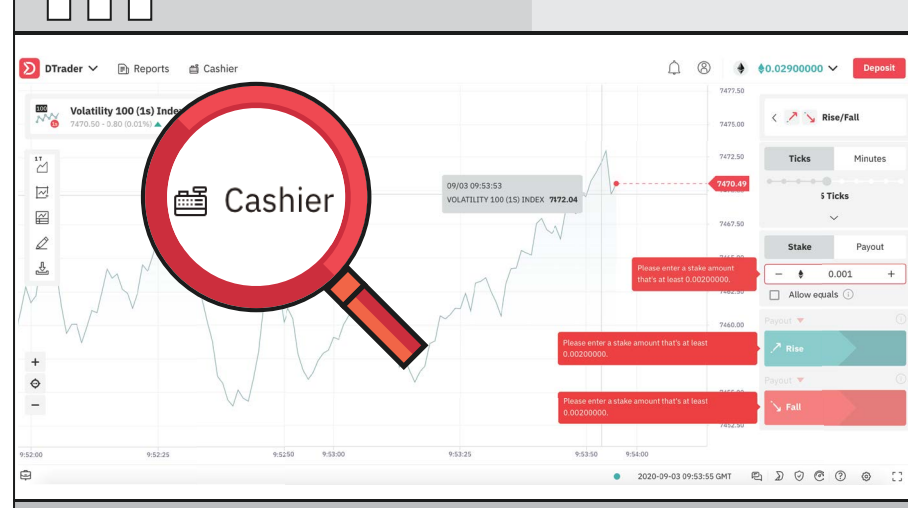

Step 5 As soon as your transaction is confirmed, your funds will be available in your Deriv ETH account. You will be able to see it in your statement.

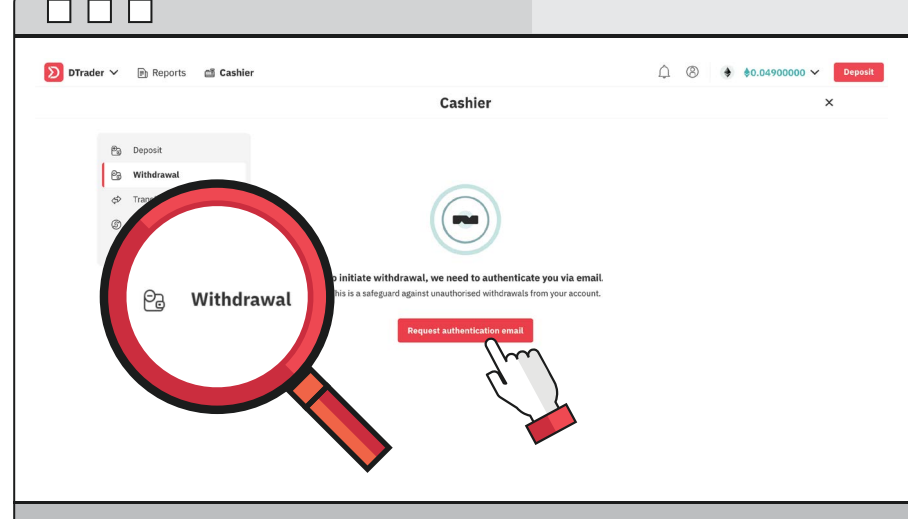

How to make a withdrawal

Step 1 Log in to your Deriv ETH account and click **Cashier**.

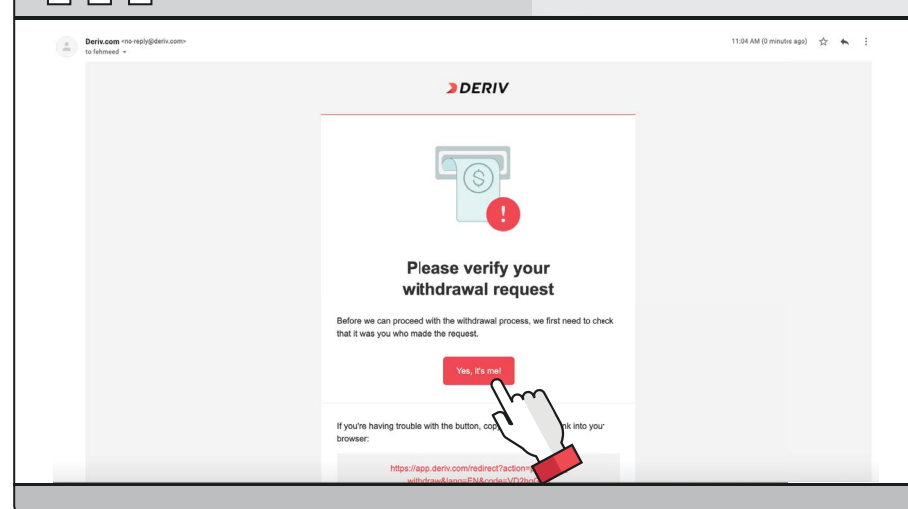

Click **Withdrawal**, and then click **Request authentication email**.

Step 2

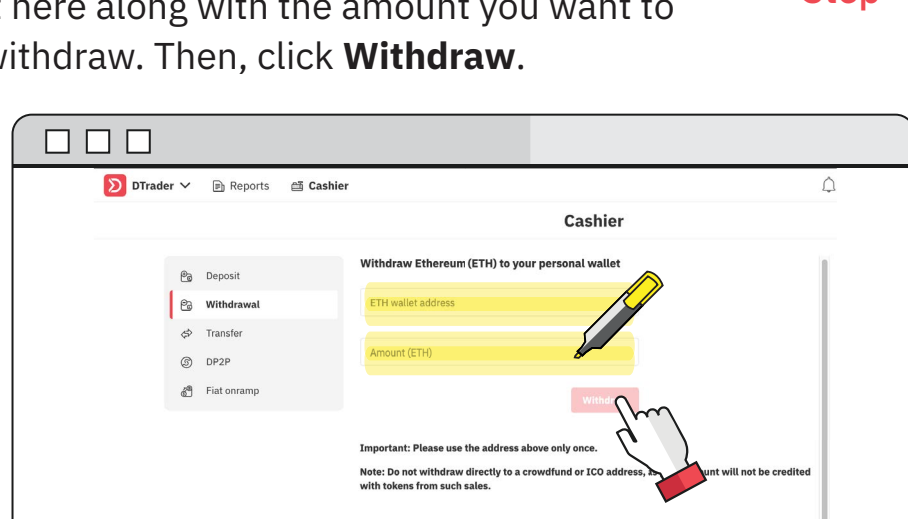

Step 3 We'll send you a verification email. In the email, click **Yes, it's me!**

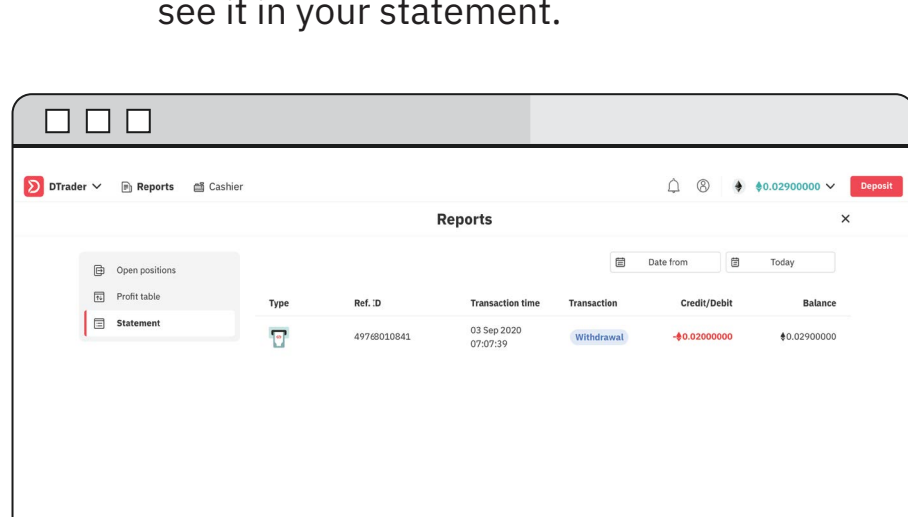

Copy the address of your ETH wallet and paste it here along with the amount you want to withdraw. Then, click **Withdraw**.

Step 4

Step 5 You will see the transaction as pending. Processing is subject to internal checks. Once it is successful, your funds will be available in your ETH wallet, and you'll be able to see it in your statement.
